

Are you under the age of 19 and looking for support with your next steps in life?

EASYP is for young people preparing to leave school or already left school under the age of 19.

EASYP has a range of employability programmes, training opportunities, work placements and provides additional support to help you find and start a job.

EASYP is designed to suit you and your work goals.

EASYP also:

- Provides digital skills training if you need it and digital resources to connect you with our programmes, training opportunities and employers.
- Helps you deal with personal, family and health challenges that may be holding you back from moving on.
- Offers advice and support to help improve your mental wellbeing
- Provides funding to help improve your chances of finding a job. This can pay for things such as qualifications, accredited training, clothing, equipment, health/lifestyle resources and other provisions that will help you progress on your journey to work.

If you want to find out more about taking the EASYP steps to work contact us on the number below:
